CAF Tasting a Better Future

To enquiries@forkanddigit.co.uk <enquiries@forkanddigit.co.uk>

With regards to the National Lottery's Climate Action Fund.

We would like to express our support for **BCSA-Fork and Dig It CIC** being a Climate Hub and back their participation in the wider "Tasting a Better Future" initiative. Their organisation has successfully promoted regenerative farming through Education and Community Supported Agriculture, in Brighton and Hove, for over 15 years. I/We feel they would make a significant contribution to the aims and objectives of the Climate Action Fund.

Kind regards

Ben Messer
