

National Lottery's Climate Action Fund.

To Management Team Fork and Dig It <enquiries@forkanddigit.co.uk>

With regards to the National Lottery's Climate Action Fund.

I would like to express my support for BCSA-Fork and Dig It CIC being a Climate Hub and back their participation in the wider "Tasting a Better Future" initiative. Their organisation has successfully promoted regenerative farming through Education and Community Supported Agriculture, in Brighton and Hove, for over 15 years. I feel they would make a significant contribution to the aims and objectives of the Climate Action Fund.

Kind regards, Caroline
