Hello Jules,

I'm very happy to support your funding bid!

With regards to the National Lottery's Climate Action Fund.

I would like to express my support for **BCSA-Fork and Dig It CIC** being a Climate Hub and back their participation in the wider "Tasting a Better Future" initiative. Their organisation has successfully promoted regenerative farming through Education and Community Supported Agriculture, in Brighton and Hove, for over 15 years. I feel they would make a significant contribution to the aims and objectives of the Climate Action Fund.

Best Regards

Cllr Mitchie Alexander
