Hi Andy & Jools

With regards to the National Lottery's Climate Action Fund.

We would like to express our support for BCSA-Fork and Dig It CIC being a Climate Hub and back your participation in the wider "Tasting a Better Future" initiative.

BCSA-Fork and Dig It CIC has successfully promoted regenerative farming through Education and Community Supported Agriculture, in Brighton and Hove, for over 15 years.

We feel you would make a significant contribution to the aims and objectives of the Climate Action Fund.

We wish you all success with your application.

Mischa
