5 July 2023

Dear Charlotte,

**Letter of support Lauriston Farm Stage 2 application Climate Action Fund**

Pilton Community Health Project offers their support for Lauriston Farm becoming a Climate Hub. The plans for Tasting a Better Future will accelerate the levels of awareness between food choices, climate change and nature and offer a much needed and progressive space for learning, evaluation and advocacy activities for local people and families in North Edinburgh.

We fully support their application to become a Climate Hub.

Yours sincerely

A handwritten signature in black ink that reads 'Dawn Anderson'.
