Why Free School Meals matter

Nutritious Free School Meals make children...

... healthier

... happier

**... perform better
at school**

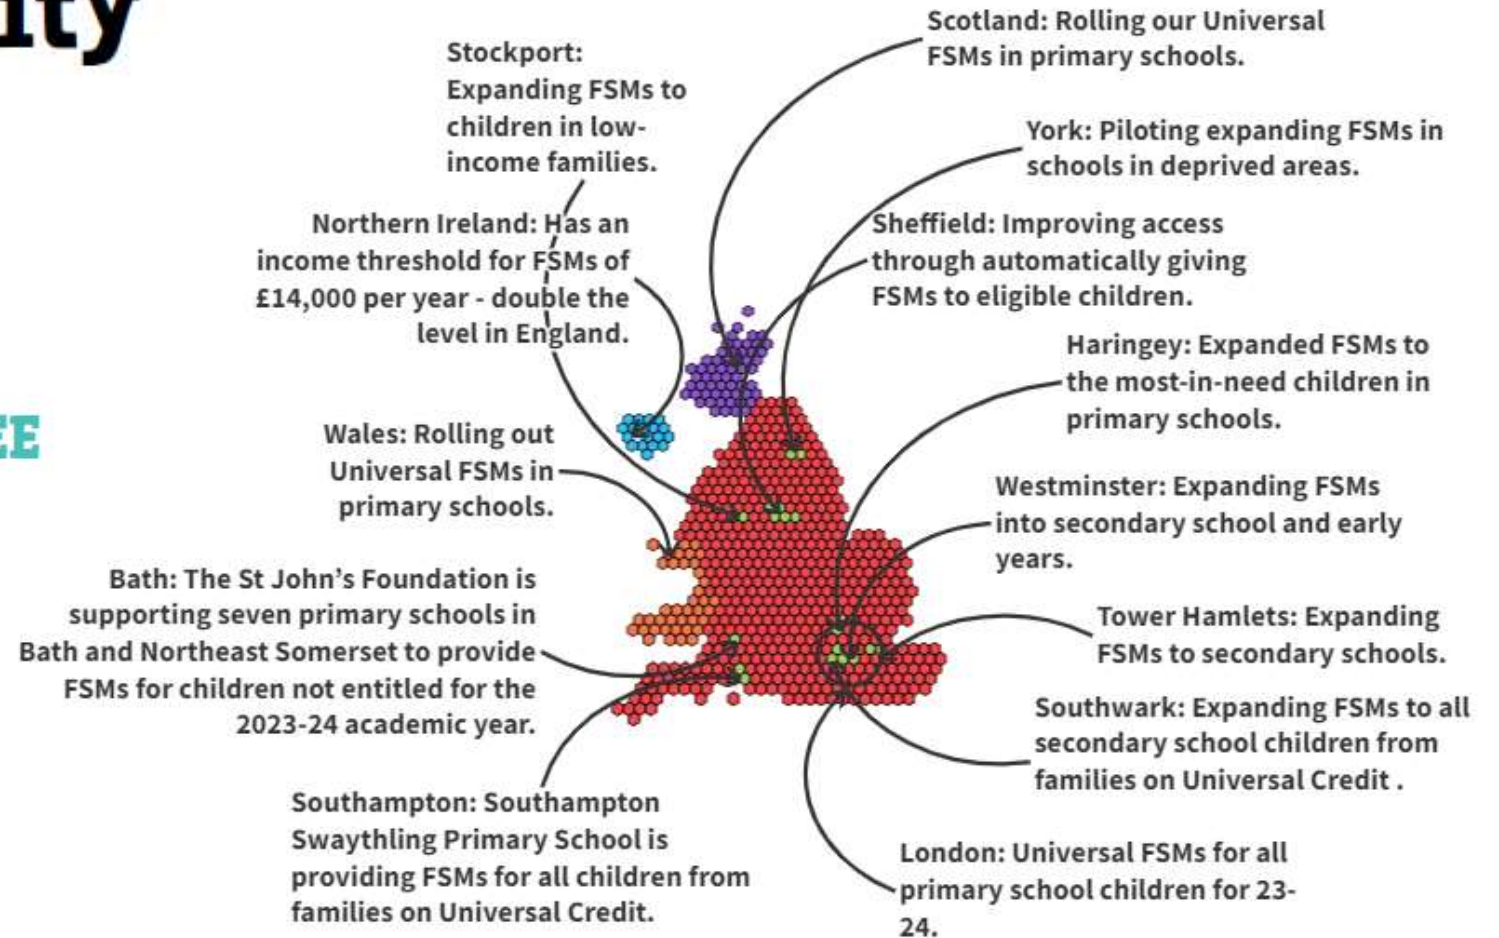

'I'm from Birmingham and I have lived experience of food insecurity. The cost-of-living crisis is getting worse, and families are struggling to survive. Giving children one good nutritious meal in school is really important for their wellbeing, for their physical health and for their mental health. Every single child should have access to food, no matter where they live'

YUMNA HUSSEN, 18-YEAR-OLD YOUNG FOOD AMBASSADOR FOR THE CHILDREN'S RIGHT TO FOOD CAMPAIGN AND CHAIR OF BITE BACK

Making this a reality in the West Midlands Combined Authority
