

## Spreading Success, Sharing Solutions Part 2

### Nutrition Network for Wales / Rhwydwaith Maeth Cymru

Becky Firks  
Nutrition Network for Wales Lead Officer  
7 November 2006

## Origin

‘Develop a nutrition network involving health professionals, teachers, voluntary organisations and others’

Food and Well Being  
February 2003

## Mission

The NNW will support those who are working to improve nutrition, health and well being and facilitate a joined up, strategic and multidisciplinary approach to reducing inequalities in health.

- Public health practitioners
- Policy makers
- Local government
- Teachers
- Researchers
- Community food initiatives
- Voluntary agencies
- Food industry
- Health professionals
- Other networks

## How Does the NNW Support its Partners?

  - UK Liaison events
  
- **Opportunities for information sharing**
  - News articles on initiatives
  - Recipe book

### Progress to date

- 800 partners
- Increase in website visits
- Positive feedback

Very useful database. I will bookmark this and pass on the web address to colleagues in Wales, who work across the Communities First areas.

Nutrition Network for Wales Website Visits

I have added the site to my favourites and will definitely be referring to it in the future.'
