## East Leeds PCT – All Being Well Market Stall

- Fully equipped and operational kitchen and display areas on a market stall in Leeds Kirkgate Market.
- Used by various departments and organisations to deliver Environmental Health and Public Health information to members of the public.
- Also targets traders and staff working in the market.

## Sheffield City Council – Eat Well Eat Safely

- Provided a guidance package based on the 4Cs approach to food hygiene.
- Tailored towards the specific needs of a lunch club with elderly volunteers.
- Package included an information folder, a probe thermometer, a fridge thermometer, disinfectant probe wipes and a temperature monitoring pad.
- Packs distributed through training sessions in partnership with Agewell.
