

HARD WORD

Thanks this month go to Roly Murray, Philippa Muller, Teresa Cox Jacqueline McWiggan and Richard Amos. If you have any examples you'd like to share with other CHOICE members, send them with your full name to The Hard Word, CHOICE, 57 Carrington Road, Marrickville, NSW 2204. Please don't email us your entries – we need the unmarked originals.

Tuna, chicken – and kitten?
CHOICE member Philippa Muller is concerned this adorable kitty might be on the menu...

CHEERS, BIG EARS!

This "slimline" hearing aid is so discreet we almost didn't notice it.

HOW HEAR A WHISPER METERS AWAY!

- ✓ No More Daily Adjustments
- ✓ Slim-line State of the Art Technology
- ✓ Featherlight – weighs less than 10gms
- ✓ Hides Discreetly Behind the Ear
- ✓ Six Volume Levels Fully Adjustable for the Left or Right Ear

YOUR HEARING: The Whisper 5000 may look like a simple device but is actually a major step in hearing aid technology. No matter what you would be like to hear sounds you could never hear before. Just slip on the Whisper 5000 and conversations will be a breeze. Take it to the movies, when you go out walking, enjoy the TV or Radio on low volume without disturbing others in the room.

AW002 Whisper 5000 \$29.90
AW003 Set of 4 Spare Batteries \$12.90

WRONG END OF THE STICK?

Consulting them about your constipation is probably a bridge too far in most people's patient-dentist relationship.
