What else have we learnt?

• Engaging landlords
• Engaging community groups
• Start and they will come
• Changing public spaces
• Ownership of spaces
• Site requirements
• Timing
GROWING HEALTH IN HOUSING

THURSDAY 20 NOVEMBER 2014
9.30 AM TO 2PM

Growing Health in Housing is an event for anyone working in social housing or public health, to learn more about community food growing and its benefits for residents.

WHO SHOULD ATTEND?

The event is aimed at those working for housing associations, other social landlords, public health and third sector organisations looking to create partnerships to set up community gardens in housing estates.

SPEAKERS INCLUDE:

- ROSE BOYCOTT
  Chair of the London Food Board
  Chair of SHARE Architecture
  - DIREDOR OF COMMUNITIES AND NEIGHBOURHOODS FOR POPPY HARE
  - STEVE COLG
    Neighbourhoods Green/National Housing Federation
    Adpals, Gilbert
    London Borough of Tower Hamlets Public Health

BOOKING AND COST

The event is £25 per person which includes a delicious lunch.

For more information, please visit www.capitala2z.org/themes/growinghealthinhousing or emailadge@capitala2z.org
Time to have a look

What next?

• Use model in other areas of the city/country with different
• Gather and analyse the evidence that has been collected
• Looking for additional funding
• Working with other local authority departments as partners
• Go back to the landlords for cash funding
• Social prescribing
Thank you!
