

Commissioning Gardening in Public Health

Susie Crome –

Public Health Locality Manager
London Borough of Tower Hamlets

The contractual vision

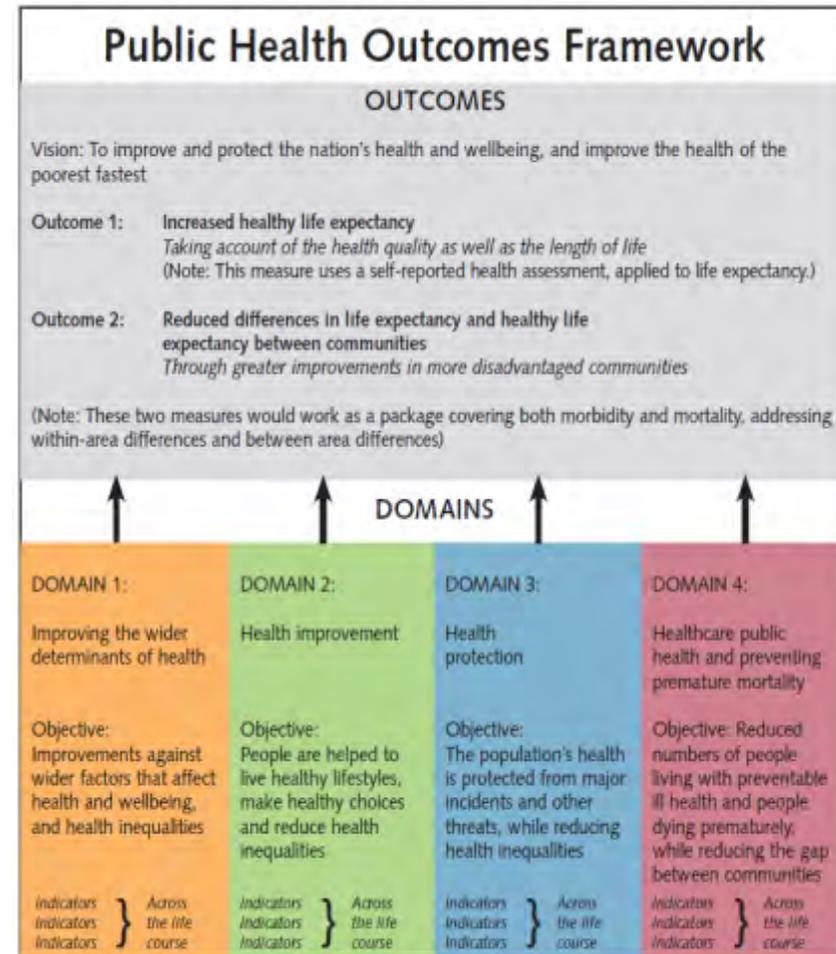

- *Community* Gardening Coordinators recruited for a minimum of 12 months to work 70 hours per week
- 15 sites to be established for community growing initiatives
- 2000 Tower Hamlets residents, across all ages, to be engaged with by the project
- 150 Tower Hamlets residents actively engaged taking on new sites for growing.
- 40 Training sessions to be facilitated/hosted by coordinators

Justification for public spend

- Total contract spend is £120,000 for 15 months
 - Specific need in Tower Hamlets
- Past project experiences
- Individual lifestyle benefits
- Social and community benefits
- Alignment to the Public Health Outcomes Framework

Public Health Outcomes Framework

- 0.1 Healthy life expectancy
- 0.2 Differences in life expectancy and healthy life expectancy between communities
- 1.8 Employment for those with long-term health conditions including adults with a learning disability or who are in contact with secondary mental health services
- 1.16 Utilisation of outdoor space for exercise/health reasons

What else have we learnt?

- Engaging landlords
- Engaging community groups
- Start and they will come
- Changing public spaces
- Ownership of spaces
- Site requirements
- Timing

GROWING HEALTH IN HOUSING

THURSDAY 20 NOVEMBER 2014

9.30 AM TO 2PM

Growing Health In Housing is an event for anyone working in social housing or public health, to learn more about community food growing and its benefits for residents.

WHO SHOULD ATTEND?

The event is aimed at those working for housing Associations, other social landlords, public health and third sector organisations looking to create partnerships to set up community gardens in housing estates

SPEAKERS INCLUDE:

ROSIE BOYCOTT
Chair of the London Food Board
BABU BHATTACHERJEE
Director of Communities and Neighbourhoods for Poplar Harca
STEVE COLE
Neighbourhoods Green/National Housing Federation
ANGAIL GILBERT
London Borough of Tower Hamlets Public Health

BOOKING AND COST

THE EVENT IS £35 PER PERSON WHICH INCLUDES A DELICIOUS LUNCH.

(£40 FOR ORGANISATIONS BASED IN TOWER HAMLETS)

Proceeds from the event will fund the community food growing activities developed by Women's Environmental Network. This event is organised by Women's Environmental Network (WEN) who run the Tower Hamlets Food Growing Network, and Capital Growth, London's biggest food growing network. The event is organised as part of the Gardens for Life, Tower Hamlets Community Gardens project funded by the public health team at LB Tower Hamlets.

Time to have a look

<https://www.youtube.com/watch?v=g5qiwmfvEm0>

What next?

- Use model in other areas of the city/country with different
- Gather and analyse the evidence that has been collected
- Looking for additional funding
- Working with other local authority departments as partners
- Go back to the landlords for cash funding
- Social prescribing

Thank you!
