

THE TIME IS NOW

**JUNE
26TH**
WESTMINSTER
LONDON

JOIN US ON 26TH JUNE IN LONDON TO
TELL OUR POLITICIANS #THETIMEISNOW
IF WE'RE TO END OUR CONTRIBUTION
TO CLIMATE CHANGE AND PROTECT OUR
NATURAL ENVIRONMENT.

WHY NOW?

This Summer the government will decide whether to end the UK's contribution to climate change by committing to a net zero emissions target. They will also have the chance to end nature's decline by committing to a strong Environment Bill. Now is the time to push for bold action.

WHAT ARE WE DOING?

On June 26th, thousands of us from every corner of Britain will take our message straight to Parliament in what we hope will be the largest mass lobby for climate and the environment the UK has ever seen. We will line the streets of Westminster to tell them that The Time Is Now to take action.

WHAT CAN YOU DO?

Join us and many of your fellow constituents in London on 26th June! We need as many people as possible to ensure our voices are heard and that MPs leave feeling compelled to tackle climate change and protect our environment.
